

Champion Hills Community Map

Champion Hills is a private, member-owned club and 727-acre mountain golf community located just outside Hendersonville, North Carolina. Champion Hills features a par-71, championship golf course designed by Tom Fazio and consistently ranked as one of the top 10 courses in North Carolina.

This map is subject to change and revision. Dimensions, boundaries and position locations are for illustrative purposes only and are not necessarily intended to be exact. The Champion Hills Club recreational facilities are available to property owners only through membership in the Champion Hills Club. Membership is subject to the provisions of The Membership Offering Document, approval, availability, payment of established fees and dues and other conditions established from time to time.
